Another packaged lie to keep us trapped in greed,
And all the green belts........................... around our minds,
And endless...........................to keep the truth confined
(So come on)

They will not .... us,
They will stop degrading us,
They will not ....us,
We will be ....
(So come on)

Interchanging mind control,
Come let the revolution take its toll,
If you could flick a .... and open your third eye,
You'd see that
We should never be ....
(So come on)

Rise up and take the power back,
It's time the.....................had a heart attack,
